

Career Spotlight:

Shannon Crane

Community Director
92 West Paces

I never expected that my first job as a Leasing Agent would turn into such a challenging and rewarding career! The multifamily housing industry is growing and innovating so quickly right now and I love being a part of that. I am constantly challenged to learn new things and think outside the box with the goal of making life better for my residents and team members. There is truly never a dull moment in **property management** and I cannot imagine what the future holds, but I do know that I want to be a part of it for the rest of my career. I'm so thankful that I had a professor that came from the industry. She turned me on to my career. I encourage every student to take the time to get to know their professors and tap into their network."
